SARA & PEPPER

My boyfriend was going out of town on business for a week and he was a bit concerned about leaving me alone at home. And with good reason. My college girlfriend was in town and I still have the hots for her. As a matter of fact, I lost all my lesbian virginity to her, so she's very special in my life. Somehow I'll have to find a way to convince him this never happened.

STUDENT BODY

Warm

Students rule at my university town in southern Florida. The town itself is pretty small but the university counts more than 15,000 students. With so many hormones raging around the town, and the Florida heat makes for all sorts of screwing going on at anytime of the day and night in almost anyplace you can imagine. But today I'm going to talk about one segment of campus life that hides under the radar.

And that's Greek house chaperones. And what that means is that in fraternity and sorority houses, there are older women that seem to enjoy the company of college women and men. They 'work' at the houses making meals, keeping the students in line, especially at parties and such. In such a confined environment, it's inevitable that there may be hanky panky between the house chaperones and students. Many frats make it a point to hire only 'unfuckable' women. Foreigners, older ladies, lesbians, and the ugly. That tends to minimize the amount of potential

hanky panky, but it's not a guarantee.

Some, on the other hand look for chaperones that are willing to fool around. It tends to keep a lot of the hormones in the frat house and away from other campus events where pumped up guys can get out of hand. With all that said, let me tell you about Abril. She has been at our frat house

for the last three years, just the same time that I joined. She is 32 and very attractive. Her ex-husband had attended the same frat and she said she has a fondness in her heart for the guys in it. That's okay by me. It was an unwritten rule that if she wanted to play around with you, she would pick you and you'd keep it to yourself. The last thing needed in this place was jealous dudes and the school administration finding out, although we all knew that they knew.

She had a direct pipeline to the better sororities and they provided the best and most discreet girls for the more private parties at the frat house. Abril herself was not above joining in a

little girl-girl action but never fucked any of the guys in front of each other, or the girls. Perhaps the greatest perk of this frat was the private parties. These were open only to upper classmen, usually juniors and seniors, and enough of them are held throughout the year that everyone gets a shot at some fine sorority pussy. These parties involved only a dozen people or so and were held in the middle of the week.

On Monday I received the invitation for next Thursday's party. 11:00 pm in the movie room of the frat house. It was a dark paneled room with half a dozen sofas overstuffed chairs. By 10:30 there were three guys and three girls, and Abril. She had paired us up and introduced us over glasses of wine. By 11:30 we were all feeling pretty good and the lights were turned down even more and changed to a warm amber color. My date was Karissa, a 5' 9" blonde coed from the Tri-Delts, the hottest sorority on campus.

The party started with Abril gently kissing the mouth of my date, warming her up for me. Without breaking the kiss, Abril reached down to Karissa's jeans and unsnapped them. I could tell by the way that she moved her arms and shoulders that she had put her hand inside the girl's pants and begun massaging her pussy. I was content to just watch Abril warm her up for me.

Then Abril brought her hand up, and with a smile on her face smacked the girl hard on the ass. She moaned softly and stuck her butt out even further, wiggling it teasingly from side to side. I suddenly remembered that I was here to screw this girl myself and not just to watch Abril have fun. I stepped forward and Abril noticed me and as I got close to them, Abril stopped caressing the girl's warm bottom and stood up next to her.

Abril smiled at me with her eyes and then stepped close to me and started to unzip my jeans. Abril dropped my pants down over my ass, exposing my erection. She started sliding her hand up and down my shaft, occasionally dropping her hand down further to caress my balls. She knew just what she was doing, but she also knew that she shouldn't really get me off – Karissa should.

Abril grabbed my dick and guided it towards Karissa's firm butt. She let go as the cockhead arrived inches from her ass and I stepped closer feeling my flesh on her flesh. I laid my cock between the cheeks of that delectable ass and a little spurt of precum squirted out of me lubricating her butt and my rod. She moaned softly as she felt the wetness. Then she stood up straight, rubbing my bare dick with her bare ass as she tried to make as much contact with my body as she could. My arms slipped around her and grabbed her boobs through her shirt.

After caressing them for a moment, I slid my dripping tool up and down her ass. In one fluid move she slipped her t-shirt off over her head. I was engrossed in the pleasures of her butt, lost in a dreamland of lust. But still, I noticed when Abril kneeled

chest. My bare cock left a slimy trail of sperm on her tight stomach as she came to face me. She brought her lips up towards mine, ready for a kiss. As we kissed for the first time she reached down and took my rod in her hand and rubbed it against her belly. Her lips were firm and delicious, and I was so busy kissing her that I barely noticed that Abril had slid my pants down, freeing my legs and my cock.

I was so horny that I knew I was going to have to take her soon. I gave Karissa a little push and she fell back on the sofa. She spread her legs

wide as I stepped between them. She stuck her tongue out and licked the pre-cum off of the purple head, and I could feel her trembling under me as the taste sent little pre-orgasmic shivers through her. After a half-dozen licks she took me deep into her

down beside the girl's legs. She slid her pants and panties down and helped her step out of them. I glanced down and saw that she was totally naked now except for a pair of lacy white socks that came up to her calves.

All the while I kept up a steady rhythm, riding the outside of her slippery ass just like I wanted to ride the inside of her pussy. Sensuously she began to turn around, her arms encircling my neck and her young breasts pushing into my

mouth. I couldn't believe the sensation as she slid it up and down my shaft.

When I felt the cum bubbling perilously close to shooting out of me, I gently pushed her back on the sofa. I knelt between her legs and she drew her knees up, exposing her cute little pussy to my hungry tongue. I put my hands on her ankles, and even the lace of her socks felt sexy at that point. I pushed her legs wider to get an unobstructed view of her slit. First I licked the right

side, and then the left. Over and over I caressed her with my tongue, carefully avoiding touching her slippery inner lips. Finally, unable to take my teasing any longer, Karissa grabbed my hair and pulled my face closer, grinding herself against my lips and forcing her wet hole to join with my mouth. I reached my hand around her leg so that I could get my finger on her clit, and I flicked it wildly as I continued sucking. It was as if an electric shock passed through her. She spasmed and came into my mouth, riding the waves of pleasure that passed through her. As she came, her pussy became even wetter and her girly liquids oozed onto my lapping tongue. I slurped every delicious drop, wondering if I would ever taste anything this insanely good again.

Still gasping for air but finished with her orgasm, Karissa finally relaxed her legs and let go of my hair. I got up on my knees and scooted in closer, my throbbing dick only inches from her cute little slit. Karissa spread her legs even wider and slid her ass towards me, her pussy pleading for my penetration. I grabbed my cock and guided it into her wet hole. The warm sensation ran through my entire body. It was like I was all cock and nothing else. As I rapidly slid myself in and

squirmed and spasmed around our joining. I never felt so drained in my entire life. Exhausted by my orgasm I let go of her hand and fell away from her.

I saw Abril approach her and she quickly got down on her hands and knees and crawled to Karissa's dripping pussy. Abril dropped her mouth to the sperm trickling from Karissa's hot pink slit. Abril licked my warm seed from Karissa's wet lips, savoring each drop and then swallowing her juices mixed with my cum. She had her eyes closed and a little smile on her face as she enjoyed Abril's oral attentions. It wasn't long before Abril had licked up all my cum off

out of Karissa's velvety warmth, the cum which had been building up inside of me began boiling out of my balls.

I rammed myself into Karissa as far as I possibly could and froze. After a second or two my dick injected load after load of hot white sperm deep into her. She came too, looking into my eyes and squeezing my hand in a death grip as her body

of Karissa.

Abril wiped her mouth with the back of her hand and stood up. She helped Karissa stand up. They gave each other a kiss and invited me over for a three-way smooch. After that night, Karissa and I became boyfriend and girlfriend. Many times I thanked Abril for introducing us at the party. "That's what I'm here to do." she said.

TOPANGA

"Listen, Ms. Fox, you told me you only had two pieces of furniture to move," Charles says. "How am I supposed to fit all this stuff in my truck?" She's not sure but knows his muscular arms are turning her on. "Do you think your big dick will fit inside my tight pussy?" she asks, giving him another problem to ponder. "Let's try," he says, taking out his thick rod and letting her chow it down. Her pussy is a snug fit, so he just keeps pushing and shoving until it's all crammed in there!

SIERRA & KYLEE

We got kicked out of our apartment complex's swimming pool because we were caught fooling around. The pool policedude was young and good looking so we thought he wouldn't object to a couple hot girls kissing and fooling around. After all, he watched us for a good ten minutes before kicking us out. He said people were looking out their windows and complained. Apparently telling them to close thier curtains didn't do it, so we had to go. That's when we called Sindee and went over to her pool.

LOUISA & DIXIE

Every time we go into a photo or video shoot, we treat it like we're going out on a Saturday night. We like to take time to get ready. It's important to feel clean and ready to fuck. When we're going to get near each other's most intimate parts, we have to be fresh and ready. So, are you ready? All refreshed with a cool drink, no pants, and a pack of tissues close at hand?
